

DESCRIPTION

The LX9502 is an output connector cable specifically designed to interface the Linfinity backlight inverter to the Lucky Goldstar 5.6" LCD panel (LV56ND01A). This connector housing

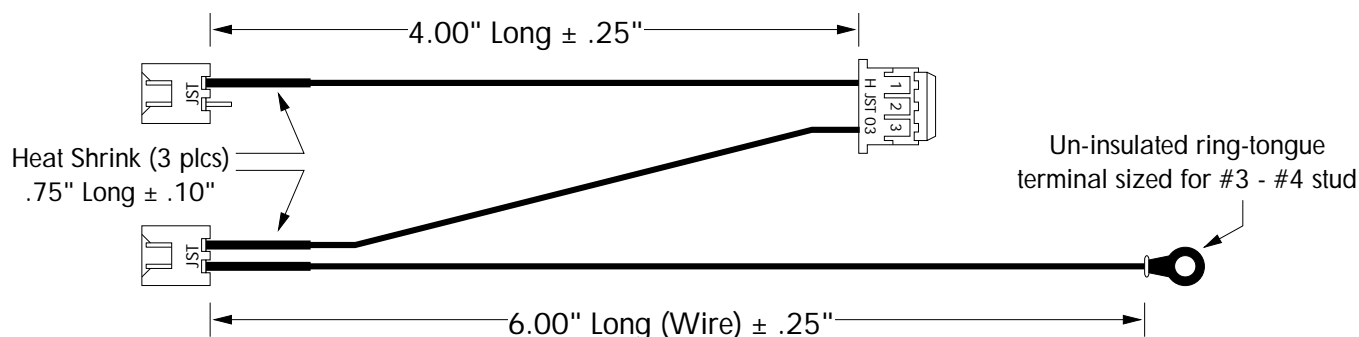

provides a clean mating connector with the JS connector # SM02(8.0) B-BHS-1D or SM02-(8.0) B-BHS-TB, found on the Linfinity inverters.

KEY FEATURES

- ▣ INTERCONNECTS LXM1653-01 TO THE LV56ND01A
- ▣ SUFFICIENT LENGTH TO ACCOMMODATE CONVENIENT MOUNTING LOCATION
